Office of Fire and Aviation, BLM meeting, April 18, 2002

The Department of the Interior and the U.S. Department of Agriculture-Forest Service are sponsoring a National Fire Plan (NFP) Coordination Meeting, in Madison, Wisconsin, April 16-17, 2002. More details about the NFP meeting can be found in the attached documents that include a letter of invitation and meeting materials, with a due date for lodging reservations of March 15. Please note that the target audience is National and Regional/State NFP leadership and line officers. We also encourage attendance of your fire management staff, and resource and planning staff who are associated with NFP initiatives.

Following the NFP Coordination meeting, the Office of Fire and Aviation will host a one-half day meeting, April 18, 8:00 a.m.-12:00 p.m., in the Monona Terrace Conference Center. The purpose of the meeting would be to provide an opportunity for BLM leadership, line officers, and staff to further discuss the NFP and the action items from the recent Las Vegas Land Health Standards Workshop that are related to the attendees' responsibilities.

Please use the enclosed form to list attendees from your unit and send to Deanna Mendiola (Deanna_mendiola@nifc.blm.gov), by March 25. We will consolidate and forward this information to the meeting registrar.
